There is no Presentation of Trophies this year

The following proposal has been received by the Secretary:- From Penyffordd, seconded by Aston. "Each League Club to forward to the League Secretary by 1<sup>st</sup> April the names of players who are eligible to play in the League for that club. No further registrations will be accepted after 3<sup>rd</sup> June. Where a club has more than one team playing in the League, teams are to be listed separately. A player may play for a team (within the Club) in the same division or a higher division if that team was short. **Players from a higher division team can NOT drop down to a lower division team.** All players to be bona fide Club Members. PLAYERS NOT ALLOWED TO PLAY MORE THAN ONE GAME IN THAT WEEK'S FIXTURE. This proposal is made to try to alleviate any shortages clubs may have in the current climate.

AMENDMENT to the above proposal, proposed by Aston, seconded by Penyffordd :- In a club which runs more than one team it is expected there will be entirely separate squads or that the teams are chosen on merit for each fixture. (This means that higher placed teams in a club must field a full side and the lower teams use the remaining players. A player may not play in corresponding fixtures whether they are played on the same day or not) If one of the club's teams are short they would be able to borrow a player(s) from the other team within that club.

Proposal Number 2, proposed by Cuddington, seconded by Groves SL:- "For the 2022 season only, League Teams should consist of EIGHT players. This would help enable those clubs with cautious players to field full teams."
